GOOD TRADE AND WHEAT WENT UP

ADVERSE CROP REPORTS HAD ITS EFFECT—CORN AND OATS DECLINED.

By the Associated Press.

Chicago, Sept. 15.—WHEAT—There was a good trade, feeling nervous, unsettled, closing 3/4¢ to 1/2¢ gain. Offerings were liberal at the start, the tone easy but on good demand the market strengthened on the higher cables, adverse Russian crop news and reports of rain and snow in Manitoba.

CORN—Weaker with a good trade, closing 3/4¢ to 1/2¢ lower. Long corn came out freely on warmer weather predictions but at the decline there was heavy buying which produced a steadier tone, after weak and irregular opening. The selling of December and buying of May was the feature.

OATS—Were easier. Closing 1/4¢ to 1/2¢ lower. The feature was buying of December by the cash houses.

A NEW PRINCIPLE IN MEDICAL SCIENCE.

For years it has been the practice of medical men to treat patients suffering from piles by local, external applications. These treatments give but temporary relief, but have never effected a positive cure.

After months of research and study, accompanied by actual experience with various patients, Dr. C. A. Perrin arrived at a positive conclusion as to the exact action of the various parts of the bowel system, under different conditions, and when subjected to various prescriptions.

He finally prepared that wonderful internal remedy known as Dr. PERRIN'S PILE SPECIFIC, which is put up in bottles, retailing at all reliable drug stores for \$1.00 each. This internal remedy has been on the market for the past ten years, and in all of that time there has been but three cases where a positive cure has not been effected.

Dr. Perrin's Pile Specific is sold under a positive guarantee by the druggist making the sale, to refund the full purchase price, providing the remedy fails to cure. This is the absolute proof of its merit. Any man or woman who suffers from blind, bleeding, itching or internal piles can try this internal remedy with the absolute certainty that it will cost nothing unless it cures. Here is what one sufferer says of this wonderful remedy:

Dr. C. A. Perrin, Helena, Mont.—I wish to thank you for the cure your wonderful medicine has done for me. I had the piles some five years, and under the advice of a doctor had them removed by the knife and felt free for awhile, but they returned and I at once got a bottle of your Perrin's Pile Specific and used bottle has entirely cured me, and I am as good as I ever was. Yours truly, JACK SULLIVAN.

STOCK MARKET WAS IRREGULAR

STARTED WITH GENERAL SWEEP UPWARDS BUT RECEIVED A CHECK—CLOSING, HOWEVER, WAS EASY.

By the Associated Press.

New York, Sept. 15.—It is difficult to apply any news that came to hand today as a motive for the active operations which again distinguished trading at the stock exchange and for the mixed movement of prices.

The market started upwards with a comprehensive sweep that suggested a continuation of yesterday's movement, but it became spotty and irregular again in the later trading. Profit-taking was so general as to suggest again a purpose of support in marking up of the picked stocks here and there in the list.

The continued advance of Pennsylvania and United States Steel was the most influential factor in shaping sentiment on the general market and was fairly effective in supporting the level of prices in the face of profit-taking in some stocks which have made previous striking advances.

FROSTS DID NO DAMAGE.
Last night's frosts were reported to have fallen as far short of dreaded damage to corn as those of the night before, but the grangers and Pacifics were distinctly heavy after the opening.

Another source of uneasiness was the marketing of a large block of Colorado Fuel, which had the appearance of an order to sell at the market.

The making up of call loan rate of two per cent, evidently foreshadowed weakness of the stock market which carried the grangers and Pacifics and a few eastern stocks a point or more below last night's and largely reduced the gains elsewhere.

The stock market closed easy.
